

To whom it may concern,

It is my pleasure to recommend to you the services of Office Nanny. Over the past several years we have had Office Nanny cleaning both our main store location and a commercial building owned by the store. They have been very professional, responsive to any needs or issues that come up, and have done a great job for us since they have been handling our cleaning needs. Office Nanny's management has been available whenever an issue arises and are quick to address the problems.

Office Nanny has been a fantastic cleaning service provider for us, and I know that they will provide the same excellent service for all their clients. If you have any questions please feel free to contact me at my contact information listed below.

Sincerely,

Chris Rowley
